

# Grantown Heritage Plaques: Back Street

*Looking East along South Street...*

*... and, almost a hundred years earlier - west*

*Grantown's most famous golfer, Bobby Cruickshank on the Grantown course.*

Just off South Street is Burnfield where stands Grantown's award winning museum and visitor centre. Primarily the museum tells the story of the Town of Grant - its foundation and development. Here can be found more information about the sites referred to on the heritage plaques and supplies of a town trail leaflet.

South Street now leads to many of Grantown's sporting venues. Here are tennis courts, bowling greens, school playing fields, the football field and golf course and the Craig Maclean Leisure Centre.

*Burnfield House - home of Grantown Museum and Heritage trust.*
